NOTES

Uhlig started skating at age 8 because she loved watching it on T.V, and she asked my mom for lessons at the local ice rink ... Graduated from high school in 2005 ... Her brother was involved in wrestling, and her dad used to race motorcycles ... She is undecided on her long-term goals.

Modro's hobbies include surfing, skiing, snowboarding, rock climbing, hiking, running, weight training, watching movies and sleeping ... Long-term goal is to receive a degree in business and perhaps attend law school thereafter ... Started skating at a late age ... Has had shoulder surgery on his right arm, which put him out of skating for one full season.
